

## 911 RIDERS MC

“Riding with a Cause”

**911 Riders MC** (Motorcycle Club) is a family-oriented, non-political motorcycle club with high Christian values. We are ordinary people from all walks of life. We have a passion for motorcycles, the outdoors, and to help and better the living conditions of our less fortunate children, sisters, and brothers.

But the biggest driving force behind us is a huge concern regarding our farming communities that are so brutally terrorised, combined with the lack of government legislation to put an end to the senseless murders and attacks. **THIS MUST STOP!**

Many of us riders have either lost a loved one, a friend, or knows of someone that were attacked, mutilated, killed, or traumatised and scarred for life, due to farm attacks. We have travelled thousands of kilometres, meeting with police commissioners, ministers, and police stations all around South Africa, and even instigated the biggest motorcycle get-together in S.A at the Union Buildings, to advocate and protest farm attacks.

Every year we as bikers attend various venues to commemorate the fallen heroes of a forgotten era, and to give thanks to our living legends, the farmers that keeps on battling the odds just to put food on our tables.

**We as 911 Riders MC proudly stand beside our farmers!**

At 11 O'clock on the 9<sup>th</sup> of August 2024 we will do so once again, at the KragDag venue 20 km east of Pretoria on the Diamond Valley Estate. This year, our theme will be “**Gebed Vir ‘n Boer // Prayer for a Farmer**” where we will hand out 24 special gifts to some lucky farmers. We call on all our farmers, small or big, to join us on this special day!
